A HELPFUL GUIDELINE
THE CLOTHING BAR

*REMEMBER- JUST BECAUSE WE CHOOSE TO SELL YOUR ITEMS,
DOESN'T GUARENTEE SOMEONE WILL BUY THEM!

Fall/Winter

We are not brand specific, but naturally certain trending brands will sell better than others. We are not high end focused but rather a casual, street style and affordable shop that caters to all. We accept all brands and sizes. *This is a guideline only and should be taken lightly*.

- ALL SIZES! We cannot stress enough how often we *especially* need sizes above a 10. These sizes sell the best and are always in high demand. Whatever the size, it must still fit our brand and aesthetic.

- Casual, comfy and chic pieces that we would anticipate our very own staff to wear.

- Like new items that you could likely still find at the mall. i.e., trendy pieces that are less than 5 years old.

- Perfect condition /hardly worn sneakers and shoes and purses. Check the insides and bottoms!

- Platform and Lug boot styles

- Good quality basics. i.e., t-shirts/classic denim/high quality sweaters etc.

- 90's inspired pieces. Think graphic tees and loose fitted styles

- Local and trending online brands. Think Camp Brand, Knix, SKIMS, Kate Hewko, etc.

- Costume jewelry and accessories. Yes, we take bags/wallets/jewelry/scarves etc.!

- Matching sets!

- Layering staples (turtlenecks, tees, long vests etc.)

- Higher quality + ethically made brands

- Lululemon + fitness items purchased within the last 2 years

Brands we draw inspiration from:
